Possible Changes to Agenda Order and Timing: Items on the agenda may be taken out of order, combined with other items, withdrawn from the agenda, moved to the agenda of another later meeting; moved to or from the Consent section, or they may be voted on in a block. Items with a specific time designation will not be heard prior to the stated time, but may be heard later. Special Accommodations: The Air Pollution Control Hearing Board Meetings are accessible to the disabled. Disabled members of the public who require special accommodations or assistance at the meeting are requested to notify Air Quality Management Division in writing at Northern Nevada Public Health, 1001 E. 9th Street, Building B-171, Reno, NV 89512, or by calling 775-784-7201, 24 hours prior to the meeting.

All public comment is limited to three minutes per person. Unused time may not be reserved by the speaker nor allocated to another speaker.

Response to Public Comment: The Air Pollution Control Hearing Board can only deliberate or take action on a matter if it has been listed on an agenda properly posted prior to the meeting. During the public comment period, speakers may address matters listed or not listed on the published agenda. The *Open Meeting Law* does not expressly prohibit responses to public comments by the Air Pollution Control Hearing Board. However, responses from the Air Pollution Control Hearing Board members to specific items presented during public comment, which are not listed as agenda items could become deliberation on a matter without notice to the public. On the advice of legal counsel and to ensure the public has notice of all matters the Air Pollution Control Hearing Board will consider, Board members may choose not to respond to public comments, except to correct factual inaccuracies, ask for Northern Nevada Public Health staff action or to ask that a matter be listed on a future agenda. The Air Pollution Control Hearing Board may do this either during the public comment item or during the following item: "Board Comment – Hearing Board Member's announcements, reports and updates, request for information or topics for future agendas. (No discussion among Board Members will take place on the item)"
