

## NOTICE OF PROPOSED ACTION

by the  
Northern Nevada Public Health  
Air Quality Management Division

### PUBLIC NOTICE

Pursuant to Nevada Revised Statutes (NRS) Chapter 445B, District Board of Health Regulations Governing Air Quality Management (DBOH Regulations), and the Clean Air Act, Northern Nevada Public Health Air Quality Management Division (AQMD) is issuing the following Notice of Proposed Action.

The AQMD received an application for the modification of a Synthetic Minor Air Quality Permit to Operate AAIR16-0714 from the following applicant:

Renown Regional Medical Center  
1155 Mill Street  
Reno, Nevada 89502

Renown Regional Medical Center (Renown) is located at 1155 Mill Street east of downtown Reno, NV. The Renown Regional Medical Center campus is comprised of the main hospital and multiple surrounding commercial buildings owned and operated by Renown.

Renown is requesting to modify their Synthetic Minor Air Quality Permit to Operate by including the emissions units from the surrounding commercial buildings and replacing their existing central heat plant with a new central heat plant. The facility operates various boilers, and emergency engines with associated generators. Renown submitted an application to install three (3) new boilers and three (3) new emergency generators in a new central heat plant to replace the boilers and generators in the existing central heat plant.

Based on the preliminary review and the requirements of the NRS, the DBOH Regulations and the Clean Air Act, the AQMD is hereby announcing their intent to issue the proposed Authority to Construct based on a review of the information submitted. A copy of this document, the application, the draft Authority to Construct (ATC), and the Technical Support Document (TSD) will be available for public inspection at [ourcleanair.com](http://ourcleanair.com).

Persons wishing to comment regarding this proposed action should submit their comments or request in writing, either in person or by mail, within thirty (30) days to:

Northern Nevada Public Health  
Air Quality Management Division  
1001 E. 9<sup>th</sup> Street  
Reno, Nevada 89512  
[AQMDPermitting@nnph.org](mailto:AQMDPermitting@nnph.org)

The application, draft ATC, TSD, and any comments received, and other relevant information may be copied at the above address or copies may be obtained by written request to the above address. Written comments or objections will be received at AQMD, above address, until July 27, 2024, and will be retained and considered prior to final action on the proposed Authority to Construct.

The AQMD will submit the proposed ATC to the U.S. Environmental Protection Agency (EPA) for a 30-day review period on the same day the 30-day public comment period commences.
