

5 STEP PATH TO SUCCESS

Increase Healthy Eating and Active Living Through Let's Go's

- New Sites:** Sign up with your local partner.
- Returning Sites:** You will hear from your local partner. Program year begins July 1. If applicable, (re-)assemble your team.
- Assess your environment and practices and plan for the year by completing the 5210 Healthy Washoe Action Plan or by having a conversation with your local partner.**
- Implement the strategies you have chosen. Engage in one or more types of assistance as needed.**
- Complete the 5210 Healthy Washoe Survey each spring based on the policies and practices your site has in place.**
- Share your successes with other staff, children, parents, and the community.**
